7 rounded up or down to the nearest two-digit decimal. For example, if a Class Member was employed
8 for only one work day during a work week, he or she would be credited with 0.14 Compensable Work

 - b. if a petition for a writ of *certiorari* by the Supreme Court, seeking review of the Final Approval Order or of the Ninth Circuit’s decision on an appeal from the Final Approval Order is timely filed, the date on which the Supreme Court denies the petition or the Supreme Court affirms the Final Approval Order.

14 by the Court until the date the Settlement Payment is transferred by Cadence to the QSF. The
15 Settlement Payment will be the sole source and maximum payment by Cadence to fund, under this
16 Settlement, the (i) Settlement Shares, (ii) the Class Representative Payment, (iii) the Class Counsel
17 Attorneys' Fees and Costs Payment, (iv) the payment to the California Labor Workforce Development
18 Agency (the "LWDA") pursuant to the California Labor Code Private Attorneys General Act
19 ("PAGA"), Cal. Lab. Code § 2698 *et seq.*, (v) the employer's share of payroll taxes on the Settlement
20 Shares, and (vi) the reasonable fees and expenses of the Settlement Administrator.

21 W. "Settlement Share" means the Class Member's share of the Net QSF, as calculated
22 pursuant to this Settlement.

23 II. **RECITALS**

24 A. On May 30, 2007, Plaintiff commenced the Action on behalf of himself and all other
25 individuals allegedly similarly situated to him (the "Proposed Class") with respect to the claims he
26 asserted.

27 B. In the Action, Plaintiff alleged that Cadence misclassified Plaintiff and the Proposed
28 Class as exempt under the Fair Labor Standards Act ("FLSA"), 29 U.S.C. § 201 *et seq.*, and California

1 wage-and-hour laws and, on that basis, failed to pay Plaintiff and others for overtime wages, to provide
2 them with meal periods and rest breaks, and to provide them with correctly itemized wage statements.
3 Plaintiff also alleged that with regard to such matters, Cadence engaged in unfair competition in
4 violation of California Business and Professions Code section 17200 *et seq.*; and that Cadence violated
5 the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), 29 U.S.C. § 1001 *et*
6 *seq.*, by failing to pay benefits as a result of failing to credit Plaintiff and the Proposed Class for their
7 claimed unpaid wages.

8 C. On June 20, 2007, Cadence answered the complaint in the Action. Cadence denied
9 Plaintiff’s material allegations; maintained that the Court should not certify the class action and the
10 collective proposed by Plaintiff, that Plaintiff and the Proposed Class were properly classified as exempt
11 under the FLSA and California wage-and-hour law, and that Cadence bore no liability to Plaintiff and
12 the Proposed Class; and raised other defenses. On December 19, 2007, Cadence amended its answer to
13 raise additional defenses to Plaintiff’s ERISA count.

14 D. In the course of litigating the Action, the Parties have conducted substantial discovery,
15 including the production of thousands of pages of documents (*e.g.*, Cadence policies, job descriptions,
16 and employee benefit plans) and personnel data, and the taking of depositions of Plaintiff and Cadence
17 managers most knowledgeable about the core practices at issue in the Complaint. Each Party also
18 retained statistical experts to analyze the personnel data, and each Party’s expert prepared a damages
19 analysis.

20 E. On January 9, 2008, after good-faith negotiations presided over by Mediator David
21 Rotman of Gregario, Haldemann, Piazza, Rotman, Frank & Feder LLP, during which each Party,
22 represented by his or its respective counsel, recognized the substantial risk of an adverse result in the
23 Action, the Parties agreed to settle the Action and all other matters covered by this Settlement.

24 F. Class Counsel have conducted a thorough investigation into the facts of the Action.
25 Based on the foregoing discovery and their own independent investigation and evaluation, Class
26 Counsel are of the opinion that the Settlement is fair, reasonable, and adequate and is in the best interest
27 of the Class in light of all known facts and circumstances, including the risk of significant delay,
28 defenses asserted by Cadence, and potential appellate issues.

G. It is the mutual desire of the Parties to fully, finally, and forever settle, compromise, and discharge all disputes and claims raised in or related in any way to the Action. In order to achieve a full and complete release of the released persons, the Class, including Plaintiff and each Class Member, acknowledges that this Settlement is intended to include and resolve all claims arising from or related to the Action as more fully set forth in section XV of the Settlement.

H. This Settlement represents a compromise of highly disputed claims. Nothing in this Settlement is intended or will be construed as an admission by Cadence that Plaintiff's claims in the Action have merit or that it has any liability to Plaintiff or the Class on those claims, or as an admission by Plaintiff that Cadence's defenses in the Action have merit.

III. DUTIES OF THE PARTIES TO SEEK PROMPT COURT APPROVAL

A. Promptly upon execution of this Settlement, the Parties will jointly move the Court for entry of the Preliminary Approval Order, including the following terms:

1. Conditionally certifying the Class as an opt-out class under Rule 23, Federal Rules of Civil Procedure, and provisionally certifying the Action as a national FLSA opt-in collective action under section 16(b) of the FLSA, 29 U.S.C. § 216(b).
2. Preliminarily approving the Settlement.
3. Scheduling a final approval hearing on the questions of (1) whether the Settlement should be finally approved as fair, reasonable, and adequate as to the Class Members; (2) whether the Court should grant Plaintiff's motion for the Class Representative Payment; and (3) whether the Court should grant Class Counsel's motion for the Class Counsel Attorneys' Fees and Costs Payment.
4. Approving as to form and content the Notice Materials and setting deadlines for submission of completed Claim Forms and Elections Not to Participate in Settlement and service and filing of objections to the Settlement.
5. Appointing a Settlement Administrator to exercise the duties set forth in this Settlement.
6. Directing the Settlement Administrator to mail the Notice Materials by first-class

mail to the Class Members.

B. Any disagreement among Parties concerning the final forms of the Notice Materials, the CAFA Notice, or other documents necessary to implement the Settlement will be referred to the Court for resolution.

IV. CERTIFICATION OF THE CLASS FOR PURPOSES OF SETTLEMENT ONLY

A. For purposes of the Settlement only, the Parties stipulate that the Court may certify the Class as an opt-out class under Rule 23, Federal Rules of Civil Procedure (the "Class Stipulation"). More specifically, the Parties agree as part of the Class Stipulation that for settlement purposes only:

1. The Class is ascertainable.
2. The Class Members are so numerous as to make it impracticable to join all Class Members as named plaintiffs in this Action.
3. There are common questions of law and fact including, but not limited to, the following:
 - a. whether Cadence properly classified all Class Members as exempt under California wage-and-hour laws;
 - b. whether, in its treatment of the Class as exempt, Cadence violated the California Labor Code;
 - c. whether, in its treatment of the Class as exempt, Cadence violated California Business and Professions Code section 17200 *et seq.*;
 - d. whether, in its treatment of the Class as exempt, Cadence violated ERISA.
4. Plaintiff's claims are typical of the claims of the Class Members with respect to their alleged exempt misclassification during the Covered Periods.
5. Plaintiff and Class Counsel will fairly and adequately protect the interests of the Class.
6. Questions of law and fact common to the Class Members predominate over any questions affecting any individual member in the Class and a class action is superior to other available means for the fair and efficient adjudication of the controversy.

B. For purposes of settlement, the Parties also stipulate that with respect to the claim that

1 they were misclassified as exempt under the FLSA, all Class Members are similarly situated within the
2 meaning of section 16(b) of the FLSA, 29 U.S.C. § 216(b) (the “FLSA Stipulation”).

3 C. The Class Stipulation and the FLSA Stipulation are made solely for purposes of the
4 Settlement. The Class Stipulation and the FLSA Stipulation are in no way an admission that class
5 certification is proper under the more stringent litigation certification standard that requires a showing
6 of, *inter alia*, manageability, and neither this Settlement, the Class Stipulation, nor the FLSA Stipulation
7 will be admissible in this or any other action or proceeding as evidence that (i) the Proposed Class or
8 any other class should be certified; (ii) this action or any other action should be certified as a collective
9 action; or (iii) Cadence is liable to Plaintiff, the proposed Class, or any other class.

10 D. If, for any reason, the Court does not grant final approval of the Settlement without
11 material modification, or if the Court’s final approval of the Settlement is reversed or materially
12 modified on appellate review, then this Settlement, the Class Stipulation, and the FLSA Stipulation will
13 automatically become null and void; the fact that the Parties had made the Class Stipulation and the
14 FLSA Stipulation, or that the Court granted certification of the Class, certification of the collective
15 action, or otherwise accepted either stipulation, will be inadmissible evidence in any subsequent
16 proceeding in the Action or elsewhere. An award of a Class Representative Payment or a Class
17 Counsel’s Attorneys’ Fees and Costs Payment in an amount less than that sought by Plaintiff or Class
18 Counsel will not constitute a failure to grant final approval of the Settlement or a material modification
19 of the Settlement.

20 V. APPOINTMENT AND DUTIES OF SETTLEMENT ADMINISTRATOR

21 A. Subject to the approval of the Court, the Parties have agreed to the appointment of a
22 Settlement Administrator to perform the following duties in connection with administration of the
23 Settlement: (i) using the data provided by Cadence to prepare the Claim Forms with the number of
24 Compensable Work Weeks worked in the Covered Position by each Class Member; (ii) obtaining
25 forwarding addresses for Class Members using appropriate methods, as described in section VII.A. of
26 this Settlement; (iii) mailing the Notice Materials to Class Members; (iv) tracking non-delivered Class
27 Materials and taking reasonable steps to re-send them to Class Members’ current addresses; (v) tracking
28 and timely reporting to Class Counsel and Counsel for Cadence returned Claim Forms and Elections Not

1 to Participate in Settlement; (vi) calculating the amounts due to each Class Member pursuant to the
2 Settlement; (vii) resolving disputes (if any) by Class Members regarding the number of Compensable
3 Work Weeks or other matters, and notifying Class Counsel and Counsel for Cadence of such disputes
4 and their resolution; (viii) establishing the Qualified Settlement Fund ("QSF"); (ix) disbursing all
5 amounts payable from the QSF; (x) notifying Class Counsel and Counsel for Cadence of any Claimants
6 who have not cashed their Settlement Share checks; and (xi) contacting all Claimants who have not
7 cashed their Settlement Share checks to remind them to do so before the six-month deadline for doing so
8 expires.

9 B. Cadence will provide the Settlement Administrator with reasonable access to its records
10 in order to perform the Settlement Administrator's duties.

11 C. All disputes relating to the Settlement Administrator's performance of its duties will be
12 referred to the Court, if necessary, which will have continuing jurisdiction over this Settlement until all
13 payments and obligations contemplated by this Settlement have been fully carried out.

14 VI. CAFA NOTICE

15 Pursuant to CAFA, within ten (10) days after the Parties file their joint motion for preliminary
16 approval of the Settlement, Cadence will mail the CAFA Notice to the Attorney General of the United
17 States and the appropriate state official in each state in which a Class Member resides at the time of
18 notice. If Cadence later learns that a Class Member resides in a state other than the state noted in
19 Cadence's records, Cadence will provide or supplement the CAFA Notice to the appropriate state
20 official in each state where a Class Member is then found to reside. The Parties intend and believe that
21 the CAFA Notice pursuant to the procedures described in this section comply with the requirements of
22 CAFA; will seek approval of these procedures for CAFA Notice in their motion for preliminary
23 approval of the Settlement; and will request the Court to adjudicate the validity of the CAFA Notice in
24 the motion for final approval of the Settlement and bar any Class Member's claim to void or avoid the
25 Settlement under CAFA.

26 VII. NOTICE TO THE CLASS OF THE SETTLEMENT AND THE CLAIM PROCESS

27 A. Mailing the Notice Materials to the Class

28 1. By March 26, 2008, Cadence will provide to the Settlement Administrator a

1 database that lists, for each Class Member, the Class Member's name, Social Security number, last
2 known address, dates and state(s) of employment, and the number of Compensable Work Weeks in a
3 Covered Position during a Covered Period. This database will be drawn from Cadence's payroll and
4 other business records and in a format acceptable to the Settlement Administrator. Cadence will consult
5 with the Settlement Administrator prior to the date for providing this information to ensure that the
6 format will be acceptable to the Settlement Administrator. Cadence also will provide Class Counsel
7 with a list of each Class Members' name, Cadence employee identification number, and dates and state
8 (s) of employment in a Covered Position during a Covered Period. The data provided to the Settlement
9 Administrator and Class Counsel will remain confidential and will not be disclosed to anyone, except as
10 required to applicable tax authorities, pursuant to Cadence's express written consent, or by order of the
11 Court.

12 2. By April 5, 2008, the Settlement Administrator will mail, by first-class mail, the
13 Notice Materials to all Class Members at their last known address, unless modified by any updated
14 address information that the Settlement Administrator obtains in the course of administration of the
15 Settlement.

16 3. The Settlement Administrator will use standard devices, including the National
17 Change of Address database or equivalent, to obtain forwarding addresses prior to mailing and will use
18 appropriate skip tracing to take appropriate steps to maximize the probability that the Notice Materials
19 will be received by all Class Members.

20 **B. Claim Form**

21 1. The Claim Form mailed to the Class Members will show for the recipient Class
22 Member the dates and state(s) of employment in a Covered Position during a Covered Period and the
23 number of Compensable Work Weeks.

24 2. Class Members will have the opportunity to challenge the information pre-printed
25 on their individualized Claim Forms, including the dates and state(s) of employment and the number of
26 their Compensable Work Weeks by submitting a written challenge along with their signed Claim Form
27 and supporting documentation to the Settlement Administrator within the time period provided for
28 submitting the Claim Form. Any challenges to the information pre-printed on the Claim Form must be

1 supported by documentary evidence; the Settlement Administrator will reject any challenge not
2 supported by such evidence.

3 3. Timely challenges submitted with documentary evidence will be resolved without
4 hearing by the Settlement Administrator after consultation with Class Counsel and Counsel for Cadence.
5 Cadence's records will be presumed correct, but the Settlement Administrator will evaluate the evidence
6 submitted by the Class Member and will make a final determination based on its evaluation of all the
7 evidence presented.

8 4. The Class Members will have sixty (60) days after the date on which the
9 Settlement Administrator mails the Notice Materials to complete and submit to the Settlement
10 Administrator the Claim Form. A completed Claim Form will be deemed timely submitted to the
11 Settlement Administrator if it is (i) mailed to the Settlement Administrator by first-class mail and
12 postmarked by not later than the deadline for submission stated in above; or (ii) it is delivered to the
13 Settlement Administrator by the deadline for submission stated above, whether by mail, facsimile
14 transmission, professional delivery, or personal delivery.

15 5. In the event that a Claim Form is submitted timely but is deficient in one or more
16 respects, the Settlement Administrator will return the Claim Form to the Class Member within five (5)
17 business days of receipt with a notice explaining the deficiencies and stating that the Class Member will
18 have ten (10) business days from the date of the deficiency notice to correct the deficiency and resubmit
19 the Claim Form. The envelope containing the resubmitted Claim Form must be postmarked within ten
20 (10) days of the date of the deficiency notice to be considered timely, absent a showing of good cause.
21 If necessary, the Class Member will be sent a second deficiency notice to correct any deficiency
22 concerning a resubmitted Claim Form, which will be governed by the same timeliness requirements as
23 the first deficiency notice.

24 6. It is the Parties' intention that Class Members be reasonably assured that their interest in
25 maintaining the privacy of their participation in the Settlement be respected as much as possible, without
26 compromising the Parties' ability to execute and implement the Settlement in good faith, abide by all
27 legal requirements, and protect Cadence's need to conduct its business efficiently and in the manner of
28 its choosing. Therefore, information regarding which Class Members submit Claim Forms and which

1 Class Members do not submit Claim Forms will be shared within Cadence on a need-to-know basis, to
2 the extent feasible and consistent with the Settlement. Specifically, the dissemination of such
3 information will be limited, to the extent feasible, to Cadence's outside counsel, Cadence's in-house
4 counsel, Cadence's Human Resources Department. Cadence will have no policy of disseminating such
5 information to managers within Class Members' chain of command. These limitations will not prevent
6 Cadence from sharing any information with any Cadence employee if the sharing of such information is
7 necessary to accomplish legitimate business goals or the fulfillment of the aims of this Settlement. They
8 also will not prevent the filing of redacted Claims Forms as provided by section VII.F.4. of this
9 Settlement.

10 C. Objection to Settlement

11 1. The Class Members will have forty-five (45) days after the date on which the
12 Settlement Administrator mails the Notice Materials to object to the Settlement by serving on the
13 Settlement Administrator, Class Counsel, and Counsel for Cadence, and filing with the Court, by the
14 forty-five (45) day deadline, a written objection to the Settlement.

15 2. A Class Member who does not file and serve a written objection in the manner
16 and by the deadline specified above will be deemed to have waived any objection and will be foreclosed
17 from making any objections to the Settlement (whether by appeal or otherwise).

18 D. Election Not to Participate in Settlement

19 1. The Class Members will have forty-five (45) days after the date on which the
20 Settlement Administrator mails the Notice Materials to complete and submit to the Settlement
21 Administrator the Election Not to Participate in Settlement. A completed Election Not to Participate in
22 Settlement will be deemed timely submitted to the Settlement Administrator if it is (i) mailed to the
23 Settlement Administrator by first-class mail and postmarked by not later than the deadline for
24 submission stated in above; or (ii) it is delivered to the Settlement Administrator by the deadline for
25 submission stated above, whether by mail, facsimile transmission, professional delivery, or personal
26 delivery.

27 2. A Class Member who does not properly complete and timely submit an Election
28 Not to Participate in Settlement in the manner and by the deadline specified above will automatically

1 become a Participating Class Member and be bound by all terms and conditions of the Settlement,
2 including its release of claims, if the Settlement is approved by the Court, and be bound by the Final
3 Approval Order, regardless of whether he or she has objected to the Settlement or submitted a completed
4 Claim Form.

5 3. A Class Member who properly completes and timely submits an Election Not to
6 Participate in Settlement will not be bound by the Settlement, and Cadence will remain free to contest
7 any claim brought by the Class Member that would have been barred by the Settlement, and nothing in
8 this Settlement will constitute or be construed as a waiver of any defense Cadence has or could assert
9 against such a claim, including a demand that such a claim be arbitrated.

10 **E. Reminder of Deadline; Untimely Submissions**

11 1. Twenty-five (25) days after the Settlement Administrator mails the Notice
12 Materials to the Class Members, the Settlement Administrator will mail a reminder card to all Class
13 Members who have not submitted a completed Claim Form, an objection to the Settlement, or a
14 completed Election Not to Participate in Settlement indicating the applicable deadline for submission of
15 those papers.

16 2. No Claim Form or Election Not to Participate in Settlement will be honored if
17 submitted late, unless the Class Member shows good cause as determined by the Settlement
18 Administrator.

19 **F. Reports and Declaration by Settlement Administrator**

20 1. By not later than ten (10) days after expiration of the 45-day deadline for
21 submission of the Elections Not to Participate in Settlement, the Settlement Administrator will submit to
22 Class Counsel and Counsel for Cadence a report setting forth the Class Members (identified by Cadence
23 employee identification numbers) who as of that date have submitted (i) valid Elections Not to
24 Participate in Settlement, and (ii) invalid Elections Not to Participate in Settlement (the "Opt-Out
25 Report"). In the event that the Settlement Administrator accepts any Election Not to Participate in
26 Settlement after the expiration of the 45-day deadline, it will promptly update and distribute an updated
27 Opt-Out Report.

28 2. By not later than ten (10) days after expiration of the 60-day deadline for

1 submission of Claim Forms, the Settlement Administrator will submit to Class Counsel and Counsel for
2 Cadence a report setting forth the Class Members (identified by Cadence employee identification
3 numbers) who as of that date have submitted (i) valid Claim Forms and (ii) invalid Claim Forms.

4 3. By not later than the date when the Parties file their joint motion for final
5 approval of the Settlement, the Settlement Administrator will prepare and submit for filing in support of
6 the motion a declaration attesting to its mailing of the Notice Materials and (indicated by number of
7 Class Members only) its receipt of valid Claim Forms and valid Elections Not to Participate in
8 Settlement and its inability to deliver the Notice Materials to Class Members due to invalid addresses.
9 Prior to the hearing on the motion for final approval of the settlement, the Settlement Administrator will
10 prepare and submit for filing in support of the motion a supplemental declaration as applicable.

11 4. Also by not later than the date when the Parties file their joint motion for final
12 approval of the Settlement, the Settlement Administrator will file with the Court true copies of the valid
13 Claims Forms and Elections Not to Participate it has received, except it will first redact from the
14 documents the Class Member's address, telephone number, and e-mail address, the last four digits of his
15 or her Social Security number, and his or her Compensable Work Weeks and estimated Settlement
16 Share.

17 **VIII. RIGHT TO RESCIND**

18 In the event that by number more than five percent (5%) of the Class Members, or a number of
19 Class Members whose share of the Net QSF would represent five percent (5%) or more of the total if
20 they all were Claimants, submit valid Elections Not to Participate in Settlement, Cadence will have the
21 right to rescind the Settlement and the Settlement and all actions taken in its furtherance will be null and
22 void. Cadence must exercise this right within ten (10) days after the Settlement Administrator sends to
23 Class Counsel and Counsel for Cadence the Opt-Out Report, provided no untimely Election Not to
24 Participate is accepted by the Settlement Administrator pursuant to section VIII.E.2., or within five (5)
25 days of the date that any untimely Election Not to Participate that is accepted by the Settlement
26 Administrator pursuant to section VIII.E.2 is reported to Cadence.

27 **IX. FINAL APPROVAL OF THE SETTLEMENT**

28 A. The Parties will jointly move the Court for final approval of the Settlement.

1 B. At the same time of the joint motion for final approval, Plaintiff and Class Counsel may
2 separately move to the Court for an award of a Class Representative Payment from the QSF in an
3 amount not to exceed \$15,000 for his services as the class representative in addition to his Settlement
4 Share, and for an award of a Class Counsel Attorneys' Fees and Costs Payment from the QSF in an
5 amount not to exceed 25% of \$7,500,000 of the Settlement Payment (or \$1,875,000) for attorneys' fees
6 and an amount not to exceed \$50,000 for costs and expenses. Cadence will not oppose the motion for a
7 Class Representative Payment and a Class Counsel Attorneys' Fees and Costs Payment in these
8 amounts, but will not be required to support the motion.

9 C. In the event that an opposition to final approval of the Settlement is filed, the Parties will
10 cooperate in submitting a reply in support of final approval, except that if an opposition is directed to the
11 motion for a Class Representative Payment or a Class Counsel Attorneys' Fees and Costs Payment, then
12 it will be the sole responsibility of Plaintiff and Class Counsel to submit a reply in that regard.

13 D. If the motion for final approval is granted, the Parties will submit the proposed Final
14 Approval Order for entry by the Court.

15 **X. WAIVER OF RIGHT TO APPEAL**

16 Provided that the Final Approval Order is consistent with the terms and conditions of this
17 Settlement, Plaintiff, Participating Class Members who did not timely submit an objection to the
18 Settlement, Class Counsel, and Cadence hereby waive any and all rights to appeal from the Final
19 Approval Order, including all rights to any post-judgment proceeding and appellate proceeding, such as
20 a motion to vacate or set-aside judgment, a motion for new trial, and any extraordinary writ, and the
21 Final Approval Order therefore will become final and nonappealable at the time it is entered. The
22 waiver does not include any waiver of the right to oppose any appeal, appellate proceedings, or post-
23 judgment proceedings. The waiver does not apply to appeals addressing (i) the Court's material
24 modification of the Settlement, or (ii) reduction of the amount to be awarded as the Class Representative
25 Payment or Class Counsel's Attorneys' Fees and Costs Payment.

26 **XI. REVERSAL OR MATERIAL MODIFICATION OF JUDGMENT ON APPEAL**

27 If, after a notice of appeal or a petition for writ of *certiorari*, or any other motion, petition, or
28 application, the reviewing court vacates, reverses, or modifies the Final Approval Order such that there

1 is a material modification to the Settlement, and that court's decision is not completely reversed and the
2 Final Approval Order is not fully affirmed on review by a higher court, then either Plaintiff or Cadence
3 will have the right to void the Settlement, which the Party must do by giving written notice to the other
4 Parties, the reviewing court, and the Court not later than fourteen (14) days after the reviewing court's
5 decision vacating, reversing, or materially modifying the Final Approval Order becomes Final. A
6 vacation, reversal, or modification of the Court's award of the Class Representative Payment or the
7 Class Counsel Attorneys' Fees and Costs Payment will not constitute a vacation, reversal, or material
8 modification of the Final Approval Order within the meaning of this paragraph, provided that Cadence's
9 obligation to make payments under this Settlement remains limited by the Settlement Payment.

10 **XII. CREATION OF THE QUALIFIED SETTLEMENT FUND**

11 A. At the request of the Settlement Administrator made after the issuance of the Final
12 Approval Order, Cadence will cause to be wired to the Qualified Settlement Fund (QSF) the Settlement
13 Payment. The Settlement Payment is the maximum amount that Cadence is obligated to pay under this
14 Settlement and is inclusive of the Class Representative Payment made to Plaintiff, the Class Counsel
15 Attorneys' Fees and Costs Payment made to Class Counsel, the payment made to the LWDA, the Class
16 Members' Settlement Shares, the employer's share of payroll taxes applicable to the Settlement Shares,
17 and the Settlement Administrator's reasonable fees and expenses in administering the Settlement. In no
18 event will Cadence be obligated to pay any additional amount to the QSF.

19 B. While held in the QSF, the funds in the QSF will accrue interest at the then-current T-bill
20 rate. There will be no reversion to Cadence of any portion of the QSF provided that the Final Approval
21 Order becomes Final.

22 C. If the Settlement is not granted final approval by the Court, or if the Final Approval
23 Order does not become Final, then all proceeds of the QSF (other than those used to pay the Settlement
24 Administrator's reasonable fees and expenses in administering the Settlement to that point), including all
25 accrued interest, will be immediately returned to Cadence.

26 **XIII. DISTRIBUTION OF THE QUALIFIED SETTLEMENT FUND**

27 A. After the Final Approval Order becomes Final, the Settlement Administrator will
28 distribute the proceeds of the QSF as follows:

1 1. Within ten (10) days after the Final Approval Order becomes Final, the
2 Settlement Administrator will make the following payments from the QSF:

- 3 a. To every Claimant, his or her Settlement Share.
- 4 b. To Plaintiff, the Class Representative Payment as awarded by the Court,
5 for which the Settlement Administrator will issue a Form 1099 to Plaintiff.
- 6 c. To Class Counsel, the Class Counsel Attorneys' Fees and Costs Payment
7 as awarded by the Court, for which the Settlement Administrator will issue
8 a Form 1099 to Class Counsel.
- 9 d. To the LWDA, as approved by the Court, \$20,000.00 in settlement of the
10 claim in the Action for statutory penalties recoverable under PAGA.

11 2. Each Claimant's Settlement Share will be calculated as follows:

- 12 a. The "Net QSF" will equal the proceeds of the QSF at the time of
13 distribution less (i) the Class Representative Payment, (ii) the Class
14 Counsel Attorneys' Fees and Costs Payment, (iii) the payment to the
15 LWDA, (iv) the employer's share of payroll taxes applicable to the wage
16 portion of the Settlement Shares, (v) the Settlement Administrator's
17 reasonable fees and expenses, and (vi) if applicable as set forth in
18 section XIII.C., the Remainder donated to charitable concerns.
- 19 b. A Claimant's Settlement Share will be the product of the Net QSF times
20 the percentage (rounded up or down to the nearest five-digit decimal) of
21 (i) that Claimant's number of Compensable Work Weeks within the
22 Covered Period applicable to that Claimant compared to (ii) the total of all
23 Claimants' Compensable Work Weeks within the Covered Periods
24 applicable to them; provided, however, that in consideration of the more
25 favorable remedies provided by California wage-and-hour laws compared
26 to the FLSA with respect to exempt misclassification, for purposes of
27 calculating a Claimant's Settlement Share with respect to both that
28 Claimant and the aggregate totals for all Claimants, each Compensable

1 Work Week or fraction of a Compensable Work Week in which a
2 Claimant was employed by Cadence in a Covered Position during a
3 Covered Period in the State of California will be multiplied by 2.7 and
4 rounded up or down to the nearest two-digit decimal.

5 3. Because the Settlement Shares include sums in settlement of claims for wages,
6 interest, and penalties, fifty percent (50%) of each Settlement Share is intended to constitute a settlement
7 of a claim for unpaid wages, for which the Settlement Administrator will issue a Form W-2 to the
8 Claimant, payroll tax withholding and deductions will be taken, and the employer's share of payroll
9 taxes on that portion will be paid from the QSF; and the remaining fifty percent (50%) of each
10 Settlement Share is intended to constitute a settlement of claims for interest and penalties, for which no
11 payroll tax withholding and deductions will be taken and the Settlement Administrator will issue a Form
12 1099 to the Claimant.

13 B. By not later than ninety (90) days after the Settlement Administrator mails the checks to
14 the Claimants for their Settlement Shares, the Settlement Administrator will (i) notify Class Counsel of
15 any Claimants who have not cashed their Settlement Share checks and (ii) contact either by telephone or
16 letter each Claimant who has not cashed his or her Settlement Share checks and remind him or her to do
17 so before the six-month deadline. The Settlement Administrator will inform these Claimants that if they
18 fail to cash their Settlement Share checks by the six-month deadline, they will not receive any money
19 under the Settlement, and their Settlement Share proceeds represented by the check will be re-distributed
20 among the Claimants who have cashed their checks. By not later than one hundred and fifty (150) days
21 after the Settlement Administrator mails the checks to every Claimant for his or her Settlement Share,
22 the Settlement Administrator will again contact those Claimants who have not cashed their checks with
23 the same reminder and information.

24 C. If any Claimant who submitted a timely and valid Claim Form does not cash the check(s)
25 for his or her Settlement Share within six (6) months after issuance, the proceeds represented by the
26 check (the "Remainder") will be distributed as follows:

27 1. If the Remainder exceeds \$10,000, it will be distributed to all Claimants who
28 cashed their Settlement Share checks proportionately to their respective Settlement Shares.

2. If the Remainder does not exceed \$10,000, it will be donated in the name of the “*Higazi v. Cadence Design Systems, Inc.*” Settlement Fund as follows: 25 percent (25%) to the Legal Aid Society of San Francisco/Employment Law Center, 25 percent (25%) to the Bar Association of San Francisco Volunteer Legal Services Project, and fifty percent (50%) to The Leukemia & Lymphoma Society.

D. It is the intention of the Parties and by this Settlement the effect that unless the Claimants cash their Settlement Share checks within the six-month period provided for doing so, they do not hold any property right to or interest in the funds represented by the checks, and therefore California’s Unclaimed Property Law, Cal. Code Civ. Proc. § 1500 *et seq.*, and any other comparable laws in the other jurisdictions encompassed by this Settlement, do not apply to checks not cashed within the six-month period and the funds represented by those checks will not escheat to the applicable jurisdiction.

XIV. NO EFFECT ON OTHER BENEFITS

The Settlement Shares will not result in any additional benefit payments (such as 401(k) or bonus) beyond those provided by this Settlement to Plaintiff or Claimants, and the Participating Class Members will be deemed to have waived all such claims, whether known or unknown by them, as part of their release of claims under this Agreement.

XV. RELEASE OF CLAIMS BY PLAINTIFF, PARTICIPATING CLASS MEMBERS, AND CLASS COUNSEL

A. **Plaintiff’s Release of Claims:** In consideration of his awarded Class Representative Payment, his Settlement Share, and the other terms and conditions of the Settlement, as of the date the Final Approval Order is entered by the Court, Plaintiff, on behalf of himself and his heirs and assigns, hereby releases Cadence and its former and current parents, subsidiaries, and affiliates, officers, directors, employees, partners, shareholders, agents, insurers, successors, assigns, and legal representatives (the “Cadence Parties”), from any and all claims, causes of action, demands, rights, and liabilities of every nature and description arising on or before the date the Final Approval Order is entered by the Court (“Plaintiff’s Released Claims”). Plaintiff’s Released Claims include, but are not limited to, those claims raised in the Action; any other claims arising under the FLSA, the California Labor Code, California Business and Professions Code section 17200 *et seq.*, ERISA, and other

1 applicable law based on the allegation that Plaintiff was misclassified as exempt; any other claims for
 2 lost wages and benefits, interest, and penalties, including penalties under PAGA; claims for emotional
 3 distress, punitive damages, and attorneys' fees and expenses arising under federal, state, or local laws
 4 for discrimination, harassment, and wrongful termination, such as, by way of example only, the Civil
 5 Rights Act of 1866, as amended, 42 U.S.C. section 1981, Title VII of the Civil Rights Act of 1964, as
 6 amended, 42 U.S.C. section 2000e *et seq.*, the Americans with Disabilities Act, 42 U.S.C. section 12101
 7 *et seq.*, and the California Fair Employment and Housing Act, Cal. Gov't Code § 12900 *et seq.*; and
 8 claims arising under the law of contract and tort.

9 **B. Participating Class Members' Release of Claims:** In consideration of his or her
 10 eligibility for an Settlement Share, as of the date the Final Approval Order is entered by the Court, each
 11 and every Participating Class Member hereby releases the Cadence Parties from the following claims,
 12 causes of action, demands, rights, and liabilities of every nature and description, whether known or
 13 unknown ("Claims") that arise from any act or omission occurring on or before the Final Approval
 14 Order is entered by the Court that was taken on the basis that the Participating Class Member was
 15 misclassified as exempt under federal or state law while employed in a Covered Position during a
 16 Covered Period, including but not limited to (i) the alleged failure to pay any type of overtime wages,
 17 (ii) the alleged failure to provide meal periods and rest breaks, (iii) the alleged failure to provide
 18 itemized wage statements, or (iv) the alleged failure to provide benefits:

- 19 1. any and all applicable federal wage-and-hour Claims, including, without
 20 limitation, claims arising under the FLSA;
- 21 2. any and all wage-and-hour Claims arising under the laws of the State of
 22 California and the laws of all other States, including, without limitation, statutory,
 23 constitutional, contractual or common law claims for wages, damages, unpaid
 24 costs, penalties (including penalties under PAGA), liquidated damages, punitive
 25 damages, interest, attorney fees, litigation costs, restitution, or equitable relief;
- 26 3. any and all Claims for unfair business practices or unfair competition, including,
 27 without limitation, claims arising under California Government Code section
 28 17200 *et seq.*; and

4. any and all Claims for benefits, including without limitation claims arising under ERISA.

These released Claims are called the “Participating Class Members’ Released Claims.”

C. Class Counsel’s Released Claims. In consideration of the Class Counsel Attorneys’ Fees and Costs Payment, as of the date the Final Approval Order is entered by the Court, and except as otherwise provided by this Agreement, Class Counsel hereby releases any claims, causes of action, demands, rights, and liabilities of every nature and description for attorneys’ fees, costs, and expenses against the Cadence Parties arising from or related to the Action, including but not limited claims based on the FLSA, the California Labor Code, or any other statute or law (the “Class Counsel’s Released Claims”).

D. Waiver of California Civil Code Section 1542. Plaintiff’s Released Claims, Participating Class Members’ Released Claims, and Class Counsel’s Released Claims include all such claims, whether known or unknown by the releasing party. Thus, even if Plaintiff, a Class Member, or Class Counsel discover facts in addition to or different from those that they now know or believe to be true with respect to the subject matter of their respective released claims, those claims will remain released and forever barred. Therefore, Plaintiff, Class Members, and Class Counsel expressly waive and relinquish the provisions, rights and benefits of section 1542 of the California Civil Code and any analogous law, statute, or rule. Section 1542 states:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

XVI. CONFIDENTIALITY PRECEDING PRELIMINARY APPROVAL

The Parties and their counsel will not issue any press or other media releases or have any communication with the press or media or anyone else (other than co-counsel, experts, potential claims administrators, and/or as necessary for audits or filings with the Securities and Exchange Commissions) regarding the Settlement prior to the filing for preliminary court approval of the Settlement. If Plaintiff or his attorneys disclose to any non-party that (i) a settlement has been reached or (ii) any of the terms of the Settlement before filing for preliminary approval, Cadence may rescind the Settlement, rendering it null and void, and will no longer be bound by any of its terms.

XVII. USE AND RETURN OF DOCUMENTS

All originals, copies, and summaries of documents provided to Class Counsel by Cadence in connection with the mediation or other settlement negotiations in this matter may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule. Within thirty (30) days after the Final Approval Order becomes Final, Class Counsel will return or destroy and confirm in writing to Cadence the destruction of all such documents.

XVIII. MUTUAL FULL COOPERATION

The Parties will fully cooperate with each other and use their best efforts, including all efforts contemplated by this Settlement and any other efforts that may become necessary or ordered by the Court, or otherwise, to accomplish the terms of this Settlement, including but not limited to, executing of such documents and taking such other action as may reasonably be necessary to obtain preliminary and final approval of this Settlement and to implement its terms.

XIX. NO PRIOR ASSIGNMENTS

The Parties represent, covenant, and warrant that they have not directly or indirectly, assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any claims, causes of action, demands, rights, and liabilities of every nature and description released under this Settlement.

XX. NOTICES

Unless otherwise specifically provided by this Settlement, all notices, demands or other communications given under this Settlement will be in writing and be deemed to have been duly given as of the third business day after mailing by United States registered or certified mail, return-receipt requested, addressed as follows:

XXI. CONSTRUCTION

This Settlement is the result of lengthy, arms-length negotiations between the Parties. This Settlement will not be construed in favor of or against any Party by reason of the extent to which any Party or his or its counsel participated in the drafting of this Settlement.

XXII. CAPTIONS AND INTERPRETATIONS

Paragraph titles, headings, or captions contained in this Settlement are inserted as a matter of convenience and for reference, and in no way define, limit, extend, or describe the scope of this Settlement or any of its provisions. Each term of this Settlement is contractual and not merely a recital, except for those denominated as recitals in section II.

XXIII. MODIFICATION

This Settlement may not be changed, altered, or modified, except in writing and signed by the Parties and approved by the Court. This Settlement may not be discharged except by performance in accordance with its terms or by a writing signed by the Parties.

XXIV. APPLICABLE LAW

All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the laws of the State of California, without giving effect to any conflict of law or choice of law principles.

XXV. INTEGRATION CLAUSE

This Settlement and its exhibits constitute the entire agreement between the Parties relating to the Settlement and transactions contemplated by the Settlement. All prior or contemporaneous agreements,

1 understandings, representations, and statements, whether oral or written and whether by a Party or a
2 Party's counsel, are merged into this Settlement. No rights under this Settlement may be waived except
3 in writing.

4 **XXVI. BINDING ON ASSIGNS**

5 This Settlement will be binding upon and will inure to the benefit of the Parties and their
6 respective heirs, trustees, executors, administrators, successors and assigns.

7 **XXVII. COUNTERPARTS**

8 This Settlement may be executed in counterparts, and when each Party has signed and delivered
9 at least one such counterpart, each counterpart will be deemed an original, and, when taken together
10 with other signed counterparts, will constitute one Settlement, which will be binding upon and effective
11 as to all Parties, subject to court approval.

12 **XXVIII. PARTICIPATING CLASS MEMBERS BOUND BY SETTLEMENT**

13 Because the Class Members are so numerous, it is impossible or impractical to have each
14 Participating Class Member execute this Settlement. The Class Notice will inform all Class Members of
15 the binding nature of the release of Class Members' Released Claims and it will have the same force and
16 effect as if this Settlement were executed by each Participating Class Member.

17 **XXIX. PARTIES' AUTHORITY TO SIGN**

18 The signatories to this Settlement hereby represent that they are fully authorized to enter into this
19 Settlement on behalf of themselves or their respective principals.

20 **EXECUTION BY PARTIES AND COUNSEL**

21 The Parties and their counsel hereby execute this document to evidence their acceptance of and
22 agreement to the Settlement.
